

MCV Hospitals and Physicians

Department of Surgery Grand Rounds

June 2008, 7:00-8:00 am

George Ben Johnston Auditorium

June 5 No Grand Rounds – No CME Credit

June 12 “Computation in Biology, from Cell to Systems”

Toan Huynh, MD, Director, Surgical Intensive Care Unit
Carolinas Medical Center, Charlotte, NC

At the conclusion of this activity, participants should be able to:

- 1) Identify new ways of visualizing blood flow by computational image analysis and its clinical relevance.
- 2) Describe the utility of database analysis in the application for trauma triage.
- 3) Explain how information integration and processing can help clinical decision making.

June 19 “Diagnosis and Treatment of Hemangiomas & Vascular Malformations”

Ian Jackson, MD, Director, Institute for Craniofacial and Reconstructive Surgery
Craniofacial Institute, Southfield, MI

At the conclusion of this activity, participants should be able to:

- 1) Identify the anatomic and dynamic features of the various vascular lesions.
- 2) Outline methods of diagnosis and how this determines treatment regimes.
- 3) Describe the difficulties encountered in treatment and the outcomes, both in the short and long-term.

June 26 No Grand Rounds – No CME Credit

Virginia Commonwealth University (VCU) School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians may claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license.

VCU designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability. If special accommodations need to be made, please contact the Department of Surgery at 804-828-7874.
